Annexure I - Brief details of Demerger

Sr No	Particulars	Description
1.	Brief details of the division to be demerged	<p><u>Graphite Business of the Company</u></p> <p>The entire business of manufacturing graphite electrode together with all associated activities, assets, liabilities including 76.5 mw captive power generating capacity (comprising of two thermal power plants and a hydroelectric power facility).</p>
2.	Turnover of the demerged division and as percentage to the total turnover of the listed entity in the immediately preceding financial year / based on financials of the last financial year	<p>The turnover of the demerged division i.e. Graphite Business of the Company as on 31st March, 2024 was INR 2,394.90 crore.</p> <p>The turnover of the Graphite Business is 94.41% to the total turnover of the Company in the financial year ending 31st March 2024.</p>
3.	Rationale for demerger	<ol style="list-style-type: none">Over the course of time, core businesses of the Demerged Company viz., manufacturing graphite electrodes (including other carbon products) and generation of thermal and hydel power have acquired critical mass. Each of the said businesses require flexibility and independence to grow faster in the fast-changing technology and innovation driven environment.Each of the core business mentioned above has a differentiated strategy, different industry specific risks and operate <i>inter alia</i> under different market dynamics and growth trajectory. The nature and competition involved in each of the businesses is distinct from others and consequently each business or undertaking

		<p>is capable of attracting a different set of investors, strategic partners, lenders and other stakeholders. Further, it is important to create a structure which is amenable for future growth keeping in view different growth trajectory for each business segment.</p> <p>3. In view thereof, it is proposed to segregate the core businesses of the Demerged Company pursuant to the Scheme. The said segregation, is expected, <i>inter alia</i>, to result in following benefits:</p> <ul style="list-style-type: none">(a) unlocking the value of each of the businesses for the shareholders of the Demerged Company, attracting different sets of investors, strategic partners, lenders and other stakeholders having a specific interest in the respective businesses and providing better flexibility in accessing capital;(b) segregating different businesses having different risk and return profiles, and providing investors with better flexibility to select investments which best suit their investment strategies and risk profile;(c) enabling focused growth strategy for each of the businesses for opportunities specific to each business;(d) creating greater visibility on performance of each of the businesses;(e) providing a separate growth path and focussed
